SETTABLE FREE COUPLERS

These special couplers can be set by the organist on any interval or keyboard. Recit to Positive in 2.2/7' or Great Organ to Pedal three tones up. And beyond.

SWAP GREAT - POSITIVE

This function allows the first and second keyboards to be exchanged at will. This feature is settable in the combinations

DIVIDED PEDAL I

Divide the Pedalboard in two sections with a settable break point. For example in the bass, play the Pedal stops, and in the treble play through the manual couplers.
