Update from St. Vincent de Paul Society

Since early in March we have not solicited food donations for the pantry because we had concerns about the transfer of the virus by packaging on foods and the handling of packages. treasury. This Sunday is the fifth Sunday in August, our usual time to request financial donations to the society. We have been able to keep the pantry going to distribute food every Wednesday morning during the pandemic, but our supply of some basic items has dwindled. We request donations in the fifth Sunday collection to support our purchase of items that are in short supply. We usually get a good price when buying food by the case. If you are attending Mass virtually via live-stream, you can mail donations to the Church office labeling the donation for St Vincent de Paul Pantry or by using the 5th Sunday envelope from your envelope package.

If you know of someone who needs support, our pantry has expanded hours to facilitate social distancing and avoid lines forming. We are open from 8:30 AM until 11:30 AM every Wednesday morning. We appreciate your support in the past and thank you for your generosity. We pray that you and your loved ones remain safe during this difficult time.
